## **Pupil Premium Policy**

### **Overview**

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on school census figures for pupils registered as eligible for FSM at any point in the last 6 years, from reception to Year 11. For looked after children the Pupil Premium was calculated using the Children Looked After data. A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

The Pupil Premium is additional to main school funding and it will be used by Bebington High Sports College to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

### **Objectives**

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- As far as its powers allow Bebington High Sports College will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others.
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
- Pupil Premium will be clearly identifiable within the budget.
- Catherine Kelly in consultation with the Interim Executive Board and staff, will decide how the Pupil Premium is spent for the benefit of entitled pupils.
- The school will assess what additional provision should be made for the individual pupils.
- The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the Pupil Premium
- The Interim Executive Board and parents will be kept informed on how effective the intervention has been in achieving its aims.
- We will publish online annually, information about how we have used the Premium.

## **Outcomes**

- This policy will play an important part in the educational development of the individual pupils who are entitled to the Pupil Premium.
- We will ensure that these pupils are treated equally and as favourably as others and that the additional funding is used well to address the challenges they face.
- The school will use the additional funding to promote the achievement and progress of all entitled pupils.
- Through wise use of this additional funding we are fully committed to ensuring that the individual needs of each entitled child are met.
- As a result of the additional funding, these children will make better progress and achieve higher standards that would have been likely without it.
