Revision is vital for all students but it can lead to a great deal of stress and anxiety. We've included some tips below for parents/carers:

- Encourage your child to start revision early – this will also be beneficial for the mock exams
- Encourage your child to be organised, to use a revision timetable and also space out the different topics they study.
- Encourage your child to use the free **revision guides** provided by the department. Electronic copies available
- Ask your child if you can help them: chatting to them or using flashcards to quiz them etc.
- Ensure your child has breaks, eats well and gets a work/life balance

January Onwards

From January students will begin Language revision.

Students should also be completing homework tasks, which will be geared towards revision
