**Teacher of Maths**  
**(MPS/UPS)**

**Required from 01.09.2017**  
**(fixed term to 31.08.18 in the first instance to cover maternity leave)**

The Headteacher and Governors of this successful and popular 11-18 co-educational, all-ability school are seeking to appoint an **inspirational, enthusiastic and committed practitioner for our Maths department**. The department offers the full range of experience from KS3 to KS5.

You will be an outstanding classroom teacher capable of inspiring both students and staff to reach the **highest levels of achievement, regardless of background**. Maths is at the forefront of our drive to be the best we can be – and consequently your career path to date is less important to this application than your positive mind set, imaginative approach and desire to succeed. This is a school that Ofsted placed in 'Special Measures' in April 2016 therefore NQTs need not apply.

Further details are available from the Headteacher's PA, Miss D Miller
