**Teacher of Science (full time, temporary contract in the first instance)**  
**R&R available for outstanding candidates**

**Required from September 2019 (or earlier if possible)**

The Headteacher and Governors of this successful and popular 11-18 co-educational, all-ability school are seeking to appoint an **inspirational, enthusiastic and committed practitioner for our Science department**. The department offers the full range of experience from KS3 to KS5.

You will be an outstanding classroom teacher capable of inspiring both students and staff to reach the **highest levels of achievement, regardless of background**. Science is at the forefront of our drive to be the best we can be – and consequently your career path to date is less important to this application than your positive mind set, imaginative approach and desire to succeed. The ability to offer three Sciences at KS4 is essential, the ability to teach animal care at level 2 and level 3 would be advantageous.

Further details are available from the Headteacher's PA, Mrs S Turner, email: [sturner@bebingtonhigh.com](mailto:sturner@bebingtonhigh.com).

Application details can be downloaded from our website [www.bebingtonhigh.com](http://www.bebingtonhigh.com)

This post is subject to an Enhanced Level DBS check. The school is committed to safer recruitment and vetting procedure.
